

Bringing the finest sports facilities to Livermore be a part of Livermore history...

The Livermore Area Recreation and Park District Foundation invites you to commemorate your support for sports and athletics by purchasing a brick that will be at the new Robertson Park synthetic fields. Add your name- or the name of someone you wish to honor or remember- to the beautifully designed centerpiece at the renovated Robertson Park sports fields.

Your gift is tax deductible and the money will be used for upgrades and upkeep of the synthetic fields for the enjoyment of Livermore athletes of all ages.
