### **Annual dinner dance for seniors put on by Livermore High seniors**

*Sponsorships available to help support program*

**LIVERMORE** — Celebrating “Love Through the Years” is the theme of this year’s Seniors Helping Seniors event. The annual dinner dance is a joint effort of the Livermore Area Recreation and Park District’s Senior Services and Livermore High School’s senior class of 2012.

Students organize Seniors Helping Seniors as a way to fundraise for events and projects during their senior year of school. The event also serves as a fundraiser for LARPD Senior Services activities.

Seniors can enjoy an evening of dining, dancing and socializing with students in the LHS class of 2012. Students also provide musical entertainment for the event, plus hold a drawing for those in attendance.

Seniors Helping Seniors will be held from 5 to 8 p.m. Thursday, Feb. 9, in the Cresta Blanca Ballroom at the Robert Livermore Community Center, 4444 East Ave. Tickets are \$15 and are on sale now through Feb. 3. On the dinner menu is grilled chicken with teriyaki glaze, steamed white rice, mixed vegetables, salad, dinner roll, dessert and beverage. Tickets are available at the Senior Services office at the Community Center. Sponsorships from businesses and organizations are also available for the event. For more information, call 925-373-5760.
